We will be meeting only at the Falmouth High School, due to our need for computer access. There will be no competition. Creating the website was a bigger project and required that I suggest the content, so both team will share equally in the prizes.

The Cape Verdean Club Bingo now has a domain name: <http://www.cvcfbingo.com>. The MMSPOA's website is seeking a developer. I've discussed the possibility with both Joe Santos, which is working with the CVC Bingo team, and Rochelle O'Neal-Thorpe of 100 Words, Inc. Both sites will have information by November 25h. MMSPOA's domain name is www.mmspoa.com. A monthly cost of \$24.95 is the hosting cost from Verio, for each site. Each site will have 10 email accounts, Setup the POP3 (email – kdaddabbo@cmmspoa.com) accounts will need to be performed along with training on Outlook.
